Declaration Regarding Export Restriction, providing foreign trade data

Ladies and Gentlemen,

the adherence to statutory specifications in the area of foreign trade and customs law requires that various product-specific details be provided with respect to the products sold by you.

Therefore we would ask you to provide

- the identification in accordance with European foreign trade law (AL-No. as per List of Dual-use Items and Technology, Annex I of Council Regulation (EC) No. 429/2009),
- the identification in accordance with American foreign trade law (ECCN as per the Export Administration Regulations, for US products only),
- the identification in accordance with Chinese Export Control Law (goods originating in China and controlled according to the Chinese Export Control Law)
- the statistical goods number in accordance with the current "Harmonized Commodity Description and Coding System" for foreign trade statistics (statistical goods number) and,
- the country of origin/manufacture (LKZ) of the queried/ordered goods,
- (long-term) subsupplier's declaration on preferences, if applicable.

Without this information, the proper adherence to the relevant statutory requirements cannot be guaranteed. The information is part of the order conditions.

We would ask you to enter the identification for the relevant items in the fields provided. The completed listing should be returned to the

Address Fax number E-mail address

indicated above.

Sincerely yours
